

Scottish Courage Brewery

REF NO: M-PG-001  
 FEATURES: Manipulator handling 100kg reels from pallet to spindle with unique reel push/pull feature

Hoganas

REF NO: M-PG-002  
 FEATURES: Manipulator handling 100kg metal castings

REF NO: M-PG-003  
 FEATURES: Manipulator with pneumatic grip and 180° powered rotation handling 60kg fibre drums

Perkins

REF NO: M-PG-004  
 FEATURES: Manipulator handling 90kg engine blocks for production line assembly.

Seven Seas

REF NO: M-VG-005  
 FEATURES: Manipulator of stainless steel construction handling 30kg ceramic pots from a shelf to an oven. 180° manual rotation facility of the suction foot

REF NO: M-PG-006  
 FEATURES: Manipulator handling part built car doors from press to stillage

REF NO: M-VG-007  
 FEATURES: Mobile manipulator handling refractory slabs from a pallet to an oven - 80kg SWL

Tallent

REF NO: M-PG-008  
 FEATURES: Manipulator handling automotive sub members from stillage to bush pressing machine, 90° powered rotation of the load was achieved

Absolute

REF NO: M-VG-009  
 FEATURES: Low level manipulator handling 100kg plastic drum with pneumatic vacuum suction feet

Ortho Clinical

REF NO: M-VG-010  
 FEATURES: Low level manipulator lifting and inverting SS trolleys into a washing machine

Honda

REF NO: M-VG-011  
 FEATURES: Inverted manipulator in a 304ss construction handling drums up to 200kg using pneumatic vacuum grip

Honda

REF NO: M-VG-012  
 FEATURES: Light weight manipulator handling fuel tanks from a stillage to a conveyor - 30kg SWL
